PETITION FOR A THREE MONTH EXTENSION OF TIME

Applicant hereby requests a three (3) month extension of time to respond to the Office Action dated March 14, 2012. The extended period for response expires September 14, 2012, and hence, this response filed September 14, 2012, is timely filed. The extension fee is \$635.00 for a small entity. A check for \$945.00 including \$635.00 for the extension fee is enclosed. In the event that it is decided that the Office Action of March 14, 2012 was not a complete and duly issued action in accordance with the Request for a Complete Office Action under MPEP §710.06, the extension fee should not be charged or should be credited to Deposit Account No. 50-3219, Order No. 1906-3-Polestar.

As noted in the accompanying Response and Request for Reconsideration, it is believed that no extension of time is required since the Office action was not complete. In the event that the PTO determines to waive the provisions of MPEP § 710.06, Applicant requests an express statement to that effect. Applicant files this Petition for an extension of Time and fee conditional on that issue. Thus, Applicant petitions for such extension of time as may be required. Kindly
